6. **Highlights:**

The College of Engineering and Management, Kolaghat (CEMK) is a prestigious institution in Kolaghat, West Bengal, India. Established in 1998, by the "Vidyasagar Society for Integrated Learning (VSIL)", Kolkata has emerged as a leading technical education hub in the region. CEMK is affiliated with the Maulana Abul Kalam Azad University of Technology (MAKAUT), formerly West Bengal University of Technology.

Keeping in mind the need to develop close Institute-Industry interaction, this college was developed within the integrated complex of a large Thermal Power Station, e.g. Kolaghat Thermal Power Station, under the able leadership of Prof. S. K. Sen, the founding Chairman of VSIL and the then Minister in-charge, Power, Science & Technology and Non-Conventional Energy Sources. At present, a well-represented governing body, consisting of renowned educationists, top-level managers from industries and senior Bureaucrats manages the affairs of the college.

The College is situated in the K.T.P.P. Township, Kolaghat, in the Purba Medinipur District, West Bengal, amidst lush green surroundings. It is well connected with Kolkata, which is only 59 km. away, by the South Eastern Railways. The campus is located at the junction of the Kolkata-Mumbai and Kolaghat-Haldia National Highways, which are segments of the Golden Quadrilateral. It takes only 1 hr. and 15 minutes from Kolkata or from Medinipur to reach the college by road.

The college offers undergraduate and postgraduate programs in various disciplines of engineering, including Computer Science and Engineering, Computer Science and Engineering (AI & ML), Electronics and Communication Engineering, Information Technology, Electrical Engineering and Mechanical Engineering. It boasts state-of-the-art infrastructure, well-

equipped laboratories, and a conducive learning environment that fosters innovation and research.

CEMK is renowned for its committed faculty members who are experts in their respective fields and dedicated to imparting quality education to students. The institution emphasizes holistic development, encouraging students to participate in extracurricular activities, seminars, workshops, and industry interactions to enhance their skills and knowledge. With its focus on academic excellence, industry collaboration, and overall development of students, the College of Engineering and Management, Kolaghat, continues to produce skilled professionals who contribute significantly to the techno-managerial landscape of the nation.
